## ADMISSIONS POLICY

The following criteria have been set for the consideration of admission of students to St. Maria Goretti School and Preschool [SMG refers to St. Maria Goretti School and Preschool].

- † Children are considered for admission without regard to race, gender, color, national or ethnic origin.
- † A child must be age three (3) or four (4) by September 1 to enter Preschool, age five (5) by September 1 to enter Kindergarten and age six (6) by September 1 to enter First Grade. Parents choosing to delay Kindergarten for their five-year-old child may enroll her/him in a 4-year-old preschool session.
- † The following priorities are considered for admission of registered students to SMG:
  1. Students enrolled at St. Maria Goretti School at the conclusion of the previous academic year whose families are **Active Parish Families**.
  2. Siblings of students currently enrolled at SMG or whose siblings are graduated alumni and whose families are **Active Parish Families**.
  3. Children of parish or diocesan employees who are employed by the parish or diocese for at least one calendar year and whose family is an **Active Parish Family**.
  4. Siblings of previous students at SMG whose families are **Active Parish Families**.
  5. Children of parent(s) who have attended St. Maria Goretti School who are **Active Parish Families**.
  6. Children of families who are **Active Parish Families**.
  7. Position on a **Waiting List**.
  8. Children of families who are active parish families in a Catholic Parish that does not have a Catholic school.
  9. Consideration is given to all other applicants.
- † Commitment to the principles of St. Maria Goretti Catholic Parish & School, as expressed in the Parish and School Mission Statements.
- † Previous school records, including references to academic performance, school attendance and conduct (only if applicable).
- † Openings in a particular class.

An **Active Parish Family** is defined as registered members of St. Maria Goretti Catholic Parish. To be a registered parish member, at least one parent/guardian must be a practicing Catholic. An Active Parish Family participates in the worship opportunities of the parish (e.g. Sunday liturgy, liturgical seasons, prayer services, Lenten Mission, etc.), provides

financial support and volunteers their time on behalf of St. Maria Goretti Catholic Parish and School. A vital part of being an Active Parish Family includes the completion of the “Time and Talent” survey, which indicates where an individual may be best-suited to serve the St. Maria Goretti Catholic Parish community. Volunteer activities which indicate a desire to serve the parish community shall include (but not be limited to): serving on committees and councils, liturgical ministry, lector, choir, ushering, teaching religious education, parish festival, seasonal clean-up of the parish facilities, field trip chaperones, room parent(s), sports coach, assisting with pageants and skits, and classroom activities.

A ***Waiting List*** is maintained for all sections as required. Applicants will be placed on a Waiting List after the registration process is complete. The Waiting List will be reviewed annually, after the registration process is complete. Priority placement on the Waiting List is determined solely by the SMG Admissions Committee. Consideration will be given to the length of time a student is on the Waiting List. Applications received after the completion of the registration process will be placed at the end of the Waiting List. Parents and Guardians of children on the Waiting List shall be responsible for maintaining accurate records of current address, phone numbers, and other identifying information. If a family is offered enrollment, and declines the opportunity, that child shall be removed from the Waiting List.

- † The number of students in each preschool section is usually limited to 15 students. St. Maria Goretti Catholic Parish School does not have the resources or the personnel to meet the exceptional education needs of all students.
  
- † Up-to-date immunization records for all students must be completed and returned to the school office by August 1, 2010.
