

1st Eucharist Banner

Traditionally, each child and his family make a banner to display at First Communion liturgy. We have provided you with the blank banner and one of three kits to get your family started. We must have banners by Mar.31st.

Below are the directions we would like you to follow:

Materials: Banner

Our Father, Whole World or Last Supper Kit with foam pieces

Foam alphabet letters, glitter glue, or Sharpie pen

1. Iron the banner
2. Put together the foam craft pieces, following the directions in the packet. Use tacky glue, hot glue or other craft glue to glue securely.
3. Glue the finished craft to the center of the banner, leaving room for your child's name.
4. Using foam letters, glitter pens or other medium, write your child's name on the front of the banner, either on the sides, top or bottom.
5. Your family may add ribbon,glitter or other trim to make the banner more individual.

Please be sure to put your child's full name on the banner.

Please write your child's teacher's name on a slip of paper and safety pin it to the banner.

We must have the Banners by March 31st
