

# Youth Ministry presents... Father Dom's Duck Doo Compost & more!

Fr. Dom's "DOO GOOD PRODUCTS" have two "O's". One "O" for being **Organic** – environmentally friendly products. The second "O" is for **Opportunity** – providing work for people in the community with special needs while providing funds for charitable organizations.

- 👉 Made from a recipe including rice hulls, cranberries, pickles, duck waste and other organic materials.
- 👉 Award winning compost can be used as a soil conditioner for your planting beds, vegetable/ flower gardens, or containers.
- 👉 Useful for indoor gardening in a mixture for houseplants or starting flowers and vegetables.
- 👉 All profits support the God's Good Earth Foundation and St. Maria Goretti Youth Ministry Programming.

## Pick up Weekends: May 1-2 & May 8-9

(down by the school)
