# Commemorative Garden

## A Gifting Opportunity

# St. Maria Goretti Commemorative Garden

As part of our 50th Anniversary Celebration, St. Maria Goretti is offering a gifting opportunity of a personalized brick paver to honor the life or special occasion of a family member, loved ones and special friends in our newly designed Commemorative Garden. For example, you could consider using the name of a child, parent, teacher or other loved one, a birth date, date of graduation, retirement, other special date or years of life (i.e. 1940-2000).

The garden will be located in the green area between the Church entrance and the Hall entrance.

The specially designed **outer ring (C)** of the circle is reserved for Founding Members of St. Maria Goretti. The size of the paver is 6"x12". Printing includes up to 12 characters per line with a maximum of 3 lines. Spaces and punctuation marks count as a character. The cost of the paver is \$200.00

The **inner circle** will remain plain with no writing on the pavers.

The **pathways (A and B)** on the design are available for all parishioners. The paver size is 4"x8". Printing includes up to 12 characters per line with a maximum of 3 lines. The cost of the paver is \$100. Large pavers (6"x12") along the edge of the pathway may be purchased for \$200. Spaces and punctuation marks count as a character.

An order blank is on the back of this brochure. Please copy the form if ordering more than one paver. Please note on the Order Form if the paver is a gift.
