a. Opening Prayer (7:21)

b. Secretary's minutes of last meeting (Laura)

-Have been posted.

c. Principal's Update (Bob)

-Bob has been giving tours, the school had a couple students start recently.  
Some parents that tour are looking for after school care.

-STAR 360 window is open until early February.

d. Treasurer's Update (Jenni)

-We have not seen the deposits from the Cardinal Dash. They are not showing in our financial books. Eric will follow up with accounting to see where the funds have been placed.

#### e.Catholic Schools Week

-January 29: School students singing in choir loft and having students involved in Mass (serving, reading). Possible parent testimonial at the Mass. Coffee and donuts after 9 AM Mass in the school gathering space. Open House in School from 9am-1pm, more focused on the specials.

-All School Field Trip during Catholic Schools Week is in the works, transportation costs are high right now.

-HSA will support some Catholic School activities throughout the week, this money is already in this year's budget.

#### f.Upcoming Events

-Parent event: Possible Spring event with renting out a space.

-Family event: Bowling alley possibility for mid-late February. Emily will call TenPin to get details for a 75 person party.

-Grandparent's Day: Possible date has been talked about with staff (probably in the spring), the event will happen this year, details yet to come.

-Teacher Appreciation Week: May 7-13

g.Other: Community has been asking about the possibility of a Garage Sale. Eric will get a request for help out to the community to gauge interest. This event is a lot of work and time and requires many volunteers. A sign up can be created to see if we have enough people to run the event. George Lenz recommends that we hold the event for the community, happy to help with the Garage Sale in order for it to stay on the calendar.
